

What is Texas Play Hard?

Texas Play Hard is a local, female owned business. The business incorporated in 2007 however, Coach Jo established and has been building lacrosse in the Austin community since 1996. Texas Play Hard is dedicated to the growth of happy and healthy female athletes and we continue to strive to build a thriving female lacrosse community. Our athletes are taught to win in the game of life by building confidence, learning how to live a healthy life style and persevering in all avenues of life.

Whether you want to learn a new sport or be pushed to compete at your next level, we have the program for you.

Club Lacrosse: TPH offers different levels for beginners, intermediate and advanced players ranging from elementary school through high school. Fall, Winter and Summer Sessions available. Please see our website for more details.

Elite Travel Team: Our travel team, known as the Texas Outlaws, is targeted at those players who wish to play at the collegiate level. This program offers athletes advanced coaching, rigorous practices and multiple tournament opportunities.

What makes our program unique? Each trip includes college visits, meet and greets with college coaches and 1 on 1 guidance through the recruiting process.

Camps: For youth through high school, TPH has designed programs to establish and strengthen stick skills and game concepts in a safe and fun environment.

Adult Players: This is for any adult wanting to learn or continuing playing the game. We have pick up games and play in various in-state and out-of-state tournaments.
